

U. N. COMMUNIST NEST

—o— Continued from page 1 —o—

Congo operation is costing 12 million dollars a month, most of which comes out of the pockets of our taxpayers.

These U. N. schemers, by forcing Moïse Tshombe to bring Katanga under the Congo government can use the funds derived from copper and cobalt mines in Katanga. The U. N. goes all out against a little country like Katanga, but ignores Hungary where the people are suffering under communism.

Thant leased an expensive apartment in New York and in a few months was evicted and sued for \$5000 for wrecking the apartment—which reminds us of Castro and his group when they came to the U. N. and were staying at Hotel Teresa in Harlem—they left chicken feathers all over the apartment.

Victor Gollancz, member of the British Socialist Party in 1939, made the following two statements:

"The great ideal of Judaism is that the whole world shall be imbued with the Jewish teachings and that in a Universal Brotherhood of Nations—a greater Judaism, in fact—all the separate races and religions shall disappear." (The Jewish World of 9th February 1883).

"The ultimate aim should be that Judaism, Christianity and all other religions should vanish, and should give place to one great ethical world religion, the brotherhood of man." (British Jewish Chronicle of April 16, 1948).

James P. Warburg, German born Jew, before the U. S. Senate, February 17, 1950 stated:

"You will have World Government whether you like it or not, if not by consent by conquest."

According to Dispatch, August 1, 1945, Pasvolsky, who drew up the United Nations Charter, is a Russian-born Jew who has become one of the leading advisers of the U. S. government. Of him the well-known American columnist, Arthur Sears Henning, has written in the Chicago Daily Tribune as follows:

"Leo Pasvolsky, Russian born ardent internationalist, knows more about the new League of Nations to preserve peace than any other person in the world. That's because he wrote the first draft of the charter of the World Peace League and attended its revision and amplification all the way from the first day of the Dumbarton Oaks Conference to the last day of the San Francisco Conference. He bids for fame as father of the Charter President Truman has appointed Stettinius the United States Representative in the World Peace League. And Pasvolsky is to go right with Stettinius to the capital of the league when it is selected, to guide the American delegate through the maze of the charter and provide him with the answers to the questions which will arise. For Pasvolsky knows all the answers, can even give them before the questions are asked He was brought into the department as an economist and successively advanced to the highest rank, outside of those positions filled by Presidential appointment subject to Senate confirmation. Pasvolsky, now a naturalized American Citizen, was born at Pavlograd, Russia, 1893, and came to this country with his parents in 1905 He has published several works on Russia including the 'Economics of Communism'."

Alger Hiss worked with Pasvolsky in setting up the U. N. charter, and Hiss hired the first 500 employees which have now grown to 4500, mainly a nest of spies, Bolsheviks and traitors.

Following are a few quotations which substantiate the above:

"All property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples." (The Talmud, Schulchan Aruch, Choszen Hamisphat 348).

UNITED NATIONS BUILDING

DEN of INIQUITY — TOWER of BABEL

"The promise of Jehovah for the Jewish people to rule the world, and for the Jews to hold high places in the World Government has arrived." (Morris A. Levy, Secretary of the World League of Liberal Jews, in a letter dated October 24, 1946).

"The League of Nations is a Jewish idea. We created it after a fight of twenty five years. Jerusalem will one day become the capital of world peace." (Nahum Sokolov, in 1922, at the Carlsbad Zionist Congress).

The Jewish World of March 10, 1927, reports Nathan Strauss as saying:

"Jerusalem will be the Peace Capital of the World."

"Jerusalem is not only the capital of Israel and world Jewry; it aspires to become the spiritual centre of the world as envisaged by the Prophets." (Ben-Gurion, Israel's present Prime Minister, as reported in the London Jewish Chronicle of December 16, 1949).

U Thant has just been elected for a term of six years. These facts should arouse any good patriotic American to bring this situation to the attention of their friends so good Americans concentrate on the United Nations and U. Thant and run both out of the United States.

The State Department working with U. Thant has been rushing the bloody aggression on Katanga to crush them before Jan. 9th when Congress meets. Nine Senators signed a protest against State Dept. for their action against Tshombe.

WRITE YOUR CONGRESSMEN AND SENATORS.

WHO RUNS UNITED NATIONS?

In our issue 146, Sept. 1, 1951, we published a partial list of the Jews, heads of departments in the United Nations at that time. Likely they have a stronger hold on the U. N. today, remaining quiet and busy among the 4500 employees. Believing this is of interest to the subscribers since 1951, we republish.

All that is now required is for the two giant power mechanisms, one operated by American Jewry under the pale blue and white Israeli colors, and the other by Moscow, to merge into one giant "Super State."

Plans call for giving to the U.N.O. all atom, hydrogen bombs—armies—navies—air forces, for they are "too dangerous to be left in the control of any power or group of powers." Ultimately the U.N.O. Army and atom bomb force, operating from Jerusalem, will be used to stamp out any Gentile revolt. The Jewish U.N.O. will be supreme and anything which can be interpreted as "anti-Semitism" (U.N.O. Genocide Convention, drafted by the Polish Jew Professor Raphael Lemkin, now on the staff of Yale University will cover the "crime") will be punishable by prison or death.

Because the rule of the U. S. S. R., as outlined in COMMON SENSE'S issue No. 143 which listed Jews in key spots in Communist

countries, so neatly interlocks with the United Nations Organization, a partial listing of Jews in the U.N.O. is now being published.
